EVALUACIÓN

Instrumentos y criterios de Evaluación 2017-18

Esta asignatura se imparte en inglés; toda la información relativa a la asignatura aparece en este idioma:

Students will be given problem sets and will have to hand them in on established dates. The problem sets will be graded, and the solutions to the problem sets will be discussed in class. The grade will be based on a final exam (50%), a midterm exam (35%) and problem sets (15%).

The final grade in the second evaluation period is EXCLUSIVELY given by the grade obtained in a retake exam (with theory and practice questions) about the whole content of the course. Grades from continuous assessment, if any, will not be taken into account.
